

## NOTICE

***In accordance with Florida Law, HB 1175, Treasure Coast Center for Surgery is required to notify you of the following:***

- Services may be provided in this healthcare facility by the facility as well as other healthcare providers who may separately bill the patient and who may not participate with the same health insurer or health maintenance organization as the facility.
- Patients and prospective patients may request from this facility and other healthcare providers a more personalized estimate of charges and other information. Patients and prospective patients should contact each healthcare practitioner who will provide services in Coral Gables Surgery Center to determine the health insurers and health maintenance organizations with which the healthcare practitioner participates as a network provider or preferred provider.
- You should contact your insurer or health maintenance organization regarding your cost-sharing responsibilities.
- Please visit the following link for data, including quality measures and statistics that are disseminated by AHCA pursuant to s.408.05, F.S.
